

# Recipe for: Scorched Earth Strawberries

Make global warming fun again! Parties during the apocalypse should still be stylish and tasty. May these berries prepare us for the hellscape of our future!

## INGREDIENTS:

24 Whole Strawberries  
1 Cup Marshmallow Fluff  
Skewer

## S'MORE STATION:

Heat Proof vessel  
Lava rocks/glass beads  
Sterno Candle

Create S'more station by placing sterno candle into heat proof vessel & surround with rocks.

## METHOD:

1. Place marshmallow fluff into a microwave safe bowl & heat until melty (about 10 seconds).
2. Place strawberry onto Skewer and dip into marshmallow fluff.
3. Roast in S'more station until toasted.
4. Serve and enjoy.
